COMPLAINT

The Complainant, being duly sworn, makes complaint to the above-named Court and states that there is probable cause to believe that the Defendant committed the following offense(s). The complainant states that the following facts establish PROBABLE CAUSE:

Your complainant, Kathy Nolan, states that she is an investigator with the City of St. Cloud Police Department. Your complainant indicates that she has been involved in the investigation of St. Cloud offense report #85003740, and based thereon alleges as follows: Your complainant states that on March 12, 1985, she was contacted by Sharon Knutson of the Stearns County Social Services. Sharon Knutson stated that she had received a report of sexual abuse at Westwood School in the east wing of an eleven year old mentally handicapped child, said child having a birth date of [redacted], and hereinafter being referred to as victim "A". Your complainant states that the Westwood School is located within the City of St. Cloud, Stearns County, Minnesota. Sharon Knutson told your complainant that she had received a call from a Marv Moore who works at Westwood School. Your complainant contacted Marv Moore and was informed that the student involved was victim "A". Marv Moore informed your complainant that victim "A" is severely mentally handicapped and has no communication skills. The alleged abuse was observed by an aide at school who was identified as a [redacted]. Your complainant indicates that she was also informed by Marv Moore that the volunteer who had allegedly sexually abused victim "A" was an Arthur Campina who your complainant knows by his full name to be Arthur Ronald Campina. Your complainant went to the Westwood School and met with [redacted]. [redacted] informed your complainant that on March 11, 1985, at approximately 9:30 a.m., she had walked into the gym area of the east wing of Westwood School and at that time had observed victim "A" to be kneeling on the floor. She stated that Arthur Campina, who is confined to a wheel chair, was right next to victim "A" and had his right hand patting victim "A's" breasts. [redacted]e stated that when Arthur Campina saw her he then dropped his hand to the area of victim "A's" midriff, or stomach, and made statements to the effect that he was trying to keep victim "A" in the gym area. Your complainant indicates that subsequent to obtaining the statement from [redacted], she did observe victim "A" and did observe her to be both physically and mentally handicapped.

Lee Ann Schindele described victim "A" as being "multiple handicapped, non-verbal, non-ambulatory to a certain extent she can walk on her knees and crawl, she's not 100% non-ambulatory". She indicates that Arthur Ronald Campina was an individual who had started coming in and volunteering doing certain assigned media skills that teachers had designated. Lee Ann Schindele indicated that she walked into a gym and she stated as follows:"And I was in the work room coming out of it and I just, when I walked out through the doorway coming into the gym where Art was there, here's the doorway, here's Art in his wheelchair and here's victim "A" on the other side. Art had his arm extended with his hand across victim "A's" breast patting her in the breast and saying, 'Don't go out [redacted] Stay in the gym.' And then when he seen me he put his hand on her stomach and said, 'You

can't go out. You stay in here.'" She indicates that she saw him pat her breasts three or four times and that he then put his hand on her stomach. Your complainant indicates that Arthur Ronald Campina's date of birth is April 16, 1945.

Your complainant states that she has reason to believe and does believe the above information to be true and correct.

PERSONAL AND CONFIDENTIAL SUBJECT: ARTHUR CAMPINA

Dear Dave:

You called our office in February, and indicated that the above named individual had been convicted and placed on probation for sexually molesting a girl.

I am enclosing a confidential record sheet, which I must have completed, so that we can identify Mr. Campina. Please complete this with as much information as you have available. A copy of a paper with his signature would also aid in the identification process.

Since we have not heard from you, we also would like copies of any newspaper clippings or court records which you can secure, which would substantiate the conviction. This is most necessary if we are to have a complete file, which will lead to refusal of registration anywhere in the country.

Thanks for your help in completing this file.

Sincerely,
